

Rockschool comes to the AMEB

The AMEB is now delivering *Rockschool* exams and syllabi across Australia.

Rockschool is a vibrant, contemporary music program of exams and qualifications for guitar, bass, drums, vocals, piano, band-based keyboards and bands. UK based, it specialises popular music genres in styles including rock, pop, metal and funk. Its qualifications are globally recognised with tens of thousands of exams conducted in the UK and 33 countries worldwide.

The comprehensive syllabi and range of support materials are regularly updated by musicians across the academic, music industry and live performance sectors to ensure they remain current and authentic.

The addition of *Rockschool* to the AMEB's offerings is welcomed. We're excited to be working with the globally successful *Rockschool* to deliver the most up-to-date contemporary music syllabuses and exams in Australia.

The program's challenging and rewarding exams are designed to develop technique, musicianship and performance ability in musicians of all ages and abilities. It complements our extensive range of music syllabuses and will strengthen the AMEB's position in the contemporary music sector.

Rockschool exams will be held across the country during October/November 2015. Further information is available from www.rockschool.com.au or the State Office on 8313 8088.
